

Ritz Treats

Ingredients:

1 box Ritz crackers
Peanut Butter
1 pkg. Chocolate Bark

Directions:

Put generous amount of peanut butter between 2 Ritz crackers. Melt chocolate over low heat.

Using fork, dip crackers in melted chocolate covering both sides. Place on wax paper until chocolate sets up and can be removed from paper easily. (To set chocolate quickly, place in fridge for about 20 minutes.)

You can also add sprinkles, or melted chocolate to add a little decoration to them.

ENJOY,
