

## Chocolate Pretzel Treats

### Ingredients:

Rolo Candies

Small Pretzels

Pecan Halves

(1 Rolo + 1 Pretzel + 1 Pecan Halve = 1 Treat)

### Directions:

Preheat oven to 250 degrees and line a cookie sheet with foil. Place pretzels flat on the foil-lined cookie sheet. Place 1 Rolo on each pretzel. Place in oven for 4-5 minutes or until Rolos become soft. Immediately after removing pretzels from oven, place a pecan halve on each Rolo and very lightly press down to spread chocolate/caramel over pretzel. Let stand or place in refrigerator until chocolate/caramel hardens.

Goodies will keep for a good while in an air tight container.
